

3rd TAICS-TTA Joint Workshop (Online Webinar)

5G-Advanced and Beyond

Taiwan Association of Information and Communication Standards (TAICS) & Telecommunications Technology Association (TTA) will host the 3rd TAICS-TTA Joint Workshop on Sep. 9 with the support of Chunghwa Telecom. During this workshop, we invite technical experts from Korea and Taiwan to discuss state-of-the-art technology on mobile communications, provide insights into what is coming up next beyond 5G and share the new trends of global standards. Join us on Sep. 9 and gain first-hand information from experts! We are looking forward to seeing you at this workshop online.

- **Date: Thursday, September 9, 2021**
- **Time: 1pm – 5pm (Taiwan time), 2pm – 6pm (Korea time)**
- **Organizer: Taiwan Association of Information and Communication Standards(TAICS) & Telecommunications Technology Association (TTA)**
- **Co-Organizer: Industrial Technology Research Institute**
- **Sponsor: Chunghwa Telecom**
